Question Bank – Accuracy Disclaimer & Limitation of Liability

The question bank available on this platform has been prepared and compiled with considerable care, effort, and attention to academic accuracy. Our content development team makes reasonable efforts to ensure that questions, answer options, correct answers, explanations, and solutions are accurate, relevant, and aligned with the latest available syllabus and examination patterns.

However, despite our best efforts, the question bank may contain inadvertent errors, omissions, outdated information, incorrect answers, or discrepancies arising from syllabus revisions or changes in examination patterns.

We do not claim or guarantee that the question bank is 100% accurate, complete, error-free, or fully aligned with the current syllabus at all times.

Students, teachers, educational institutions, and other users are strongly advised to exercise their own due diligence, independently verify important information, and refer to official textbooks, examination notifications, and prescribed syllabi wherever necessary.

The question bank is provided as a supplementary educational and practice resource and should not be considered an authoritative substitute for official educational or examination materials.

Limitation of Liability and Indemnification

To the maximum extent permitted by applicable law, the company shall not be liable for losses, damages, academic consequences, examination outcomes, or claims arising from errors, omissions, inaccuracies, or reliance on the question bank.

By accessing or using the platform, users agree, to the extent permitted by applicable law, to indemnify and hold harmless the company, its directors, employees, and representatives against third-party claims, liabilities, damages, and reasonable expenses arising from the user's misuse of the content or breach of the platform's terms.

Continued use of the question bank constitutes acknowledgment of this disclaimer, subject to applicable law and the platform's Terms and Conditions.
